### *Terms & Conditions*

**Salient Designs** offer terms of 2%10, Net30 to all potential new customers. In order to expedite your credit request please provide along with the credit application a **copy of your business resale certificate** and a **copy of your tax identification**. If your company is registered with Dunn & Bradstreet, please also include this information. C.O.D. or prepaid **Visa/ MasterCard** are also acceptable. Salient Designs reserves the right to refuse service to any customer of Salient Designs due to any justifiable reason.

**Salient Designs** offers **\$5,000.00 prepaid freight to all customers**. This can be a variation or combination of any of the products offered by Salient Designs. Salient Designs utilizes **Watkins** freight carriers and **United Parcel Service** for all shipping. If your company would like for Salient Designs to use your UPS or other freight carrier's account please provide this information with a letter of instruction along with your credit application.

**Salient Designs**, upon accepting your company as a new customer, will provide a new customer packet containing current literature and most recent Dealer and or Distributor price sheets. At your request Salient Designs also offers JPEG photos on disc of all Salient Designs – KEC – Drive Mobile Entertainment – Salient Video products for your in house flyers and other types of specials that your organization may wish to create. Salient Designs web site is updated on a daily basis and all information is printable from any portion of this site. [www.salient-designs.com](http://www.salient-designs.com)

**Salient Designs** warranty Policy is designated by Salient Designs and no other. Salient Designs offers a full manufacturers warranty for all products designed – manufactured – distributed by Salient Designs. All products are of the defective credit or exchange type, no repair and return unless otherwise requested from said customer. Please refer to the accompanying Warranty Policy sheet included with this Terms & Conditions Sheet. Any product return requests for credit shall carry up to a 15% restocking fee.

All questions and concerns should be directed to:

## Warranty Policy

**Effective Date: 01-01-03**

**Salient Designs** offers a 3 year 36,000 mile warranty to all Distributors – Dealers – Expeditors which service and/or sell Mobile Video components purchased from **Salient Designs**. This warranty is exclusive to the Supplier of these components to the **OE Manufacturers – New Car Dealer – Boat & RV Manufacturers**. This Warranty will “**not cover**” Retail consumer sales for more than the standard 1 year warranty! All warranty claims for components returned for credit – exchange – repair must include the following information:

- 1) A copy of the servicing Dealers RO (Repair Order)
- 2) Clearly noted vehicles in service date. (Sale date of vehicle to consumer)
- 3) Clearly noted Mileage of said vehicle.
- 4) Explanation of defect with component.

**In order to obtain a Return Authorization you must follow these guidelines:**

- a) Contact Salient Designs for a Return Authorization number.
- b) Have RO number available when requesting RA.
- c) Have model number of component available.
- d) Give description of problem with component.

**Items not covered by Warranty are the following:**

- a) Customer abuse. (Dictated by **Salient Designs** and no other!)
- b) Improper mounting of component leading to defect of unit. (Installing product in a manner of which it was not designed!)
- c) Improper use of unit.
- d) Dirty Heads of Videocassette Players.

**Salient Designs** reserves the right to refuse any warranty claim due to any of the above listed items. **Salient Designs** will not cover freight for returned components but will cover returned freight to said customer of exchanged – repaired components. **Salient Designs** offer Credit, Exchange or Repair for the components supplied to said customers, no refund requests will be accepted by **Salient Designs**, credit, exchange, repair will only be accepted!

**This system requires 42" of cross clearance in a vehicle! Make sure measurements have been accomplished prior to cutting any headliner! Salent Designs cannot/will not accept responsibility for inexperienced installers attempting to place this system in a vehicle that will not accept it!**

This system allows complete independence between each screen for DVD - PS2 - TV Tuner.

Each Monitor has a built in FM Transmitter for wireless Audio Broadcast to the dash mounted Radio for simulated Surround Sound  
Audio can also be obtained thru the 2 channel wireless Infrared Headphones, allowing each user to select which screen they want to listen too!

**Quantity purchases with special pricing available on all models!**

**SD286A**

**SD511A**

---

**2003 - 2006 Suburban - Tahoe - Yukon - Yukon XL - Denali Escalade**

---

**SD286A-xx** A/C Relocation pod vinyl wrapped (xx Denotes Color)

**\$34.56ea.**

This A/C Pod is used with any size Overhead screen to relocate the controls to the passenger side of the vehicle. A cut template is supplied for each style vehicle indexing on the two passenger side roof vents for precise locating of the pod. Once the hole is cut pull the A/C Control cable thru the hole and snap in the pod, plug in the control and snap it in the pod.  
Colors are: 01 Pewter, 07 Shale

---

**2007 Suburban - Tahoe - Yukon - Yukon XL - Denali - Escalade**

---

**SD511A-xx** 2007 - Up A/C Relocation Pod colored plastic (xx Denotes Color)

**\$52.00ea.**

This A/C Pod allows you to move the controls behind the Overhead screen (center - rearward of screens location) and then a base plate assembly requiring the installer to cut the headliner and insert a mounting board above the headliner and then a base plate will screw to the bottom side of the headliner and the factory A/C controls will screw to the back of the main pod housing and it will snap into the mounting base which was previously mounted to the headliner. Cutting and extending the factory harness is required! (8 wires)  
Colors are: 18 Titanium, 23 Kashmir

**Quantity purchases with special pricing available on all models!**

# Blue Connect Pod

---

## Universal Blue Connect Pod

---

**SD491A-xx** Universal mount Blue Connect Pod (xx Denotes color)

**\$42.00ea.**

System Includes:

All mounting hardware, flat sheet bracket, below headliner mounting plate, main housing for Blue Connect Colored plastic, Tan - Grey - Black

Secure Blue Connect Transmitter/Receiver to main housing using the supplied Torx head screws in the hardware pack supplied by Blue Connect. Velcro control module to the main housing, bundle cables and connect to module.

Mount to headliner by cutting a slit in headliner and pass flat plastic bracket into slit and above headliner using supplied screws, screw thru headliner securing bracket in place, screw mounting plate to headliner using supplied screws, route power cable thru hole snap outer shell with Blue Connect mounted and you have completed the installation.

Due to the housing being a colored plastic trimming of the side walls can be accomplished with out the concern of ruining a vinyl covered part!

**Quantity purchases with special pricing available on all models!**

**Audio/Video Accessories**
